SCOPRI I NUOVI TESSUTI ECOSOSTENIBILI

STESSA PERFORMANCE CON UN'OCCHIO DI RIGUARDO ALL'AMBIENTE

I nostri tecno-tessuti non temono nessun ambiente ostile. Inattaccabili dal cloro, resistenti a creme e oli solari, proteggono dai raggi UV – UPF 50+ e garantiscono performance eccezionali in termini di durata nel tempo. Non dei semplici capi tecnici: i nostri tessuti competition asciugano rapidamente, garantiscono perfetta vestibilità e mantengono le proprie caratteristiche inalterate anche dopo lunghe sessioni d'allenamento.

Our techno-fabrics are designed to withstand even the most challenging environments. Resistant to chlorine and immune to sunscreens and oils, they provide advanced UV protection with an UPF 50+. Each garment ensures exceptional performance in terms of durability over time. These are not just ordinary technical garments; they are true allies for your training: they dry quickly, offer a perfect fit, and maintain their characteristics even after long and intense sessions.

SIDNEY ECO by Carvico

Pensato per realizzare costumi da bagno sportivi estremamente traspiranti, coprenti e caratterizzati da un'ottima vestibilità, capaci di avvolgere il corpo senza ostacolarne i movimenti.

Sydney Eco racchiude in sé tutte le caratteristiche che rendono un tessuto perfetto per il mondo swimwear: inattaccabile dal cloro, resiste a creme e oli solari mantenendo inalterati nel tempo forme e colori, asciuga rapidamente e assicura un fattore di protezione dai raggi UV UPF50+. **COMPOSIZIONE: PL RICICLATO 51% + PBT 49%**

*Designed to create highly breathable, opaque swimwear with an excellent fit, capable of wrapping the body without restricting movement, Sydney Eco incorporates all the characteristics that make a fabric perfect for the swimwear world: resistant to chlorine, withstands sunscreens and oils while keeping its shape and colors intact over time, dries quickly, and provides UV protection with an UPF50+ rating. **Composition: 51% Recycled Polyester (PL) + 49% PBT***

X-PLAY by Carvico

X-PLAY nasce dalla combinazione di la fibra elastomerica XLANCE® e il poliestere riciclato, filo 100% rigenerato da bottiglie di plastica PET. Confortevole e performante, X-PLAY è caratterizzato da una mano più calda, elastica e morbida, molto piacevole al tatto. Ideale per l'allenamento in acqua clorata e per lo sport active.

COMPOSIZIONE: PL RICICLATO 78% + EOL 22%

X-PLAY is created from the combination of the elastomeric fiber XLANCE® and recycled polyester, made from 100% re-generated PET plastic bottles. Comfortable and high-performance, X-PLAY features a warmer, more elastic, and soft texture, making it very pleasant to the touch. It is ideal for training in chlorinated water and for active sports.

Composition: 78% Recycled Polyester (PL) + 22% EOL

REVOLUTIONAL® by Carvico

Tecno-tessuto in poliestere, bianchissimo, dal look super opaco e una straordinaria brillantezza di tutti i colori. Resistente al pilling e alle abrasioni con un valore pari a 5, il massimo secondo i test eseguiti. **COMPOSIZIONE: PL MICRO 80% + EA 20%**

A polyester techno-fabric, pure white, with a super-matte look and extraordinary color brightness. Resistant to pilling and abrasions, with a rating of 5, the highest value according to standard tests.

Composition: 80% Micro Polyester (PL) + 20% Elastane (EA)

COME PRENDERE LE MISURE *TAKING MEASUREMENTS*

- TORACE/SENO esegui la misurazione in corrispondenza del punto più ampio del torace/seno. *CHEST/BUST Take the measurement at the widest point of the chest/bust.*
- VITA misura la circonferenza della vita in corrispondenza del punto più stretto dell'addome. *WAIST Measure the circumference of the waist at the narrowest point of the abdomen.*
- FIANCHI esegui la misurazione in corrispondenza del punto di massimo volume dei fianchi. *HIPS Measure at the point of maximum volume of the hips.*

I NOSTRI COSTUMI SONO PENSATI PER UNA VESTIBILITÀ AGONISTA. SE QUELLO CHE TI SERVE È UN COSTUME ADERENTE, ACQUISTA LA TUA SOLITA TAGLIA. SE INVECE CERCHI UN COSTUME DALLA VESTIBILITÀ PIÙ MORBIDA, SCEGLI LA TAGLIA SUCCESSIVA.
Our swimsuits are designed for an athletic fit. If you prefer a snug fit, choose your usual size. For a looser, more comfortable fit, go up one size.

COSTUMI FUN&FIT

FUN & FIT è il costume per chi cerca il massimo comfort mentre pratica attività in acqua. Particolarmente indicato per i movimenti dell'Aquafitness, ha il sostegno seno per contenere e valorizzare le forme. La sgambatura è regolare e la schiena più coperta rispetto al modello Training. La fodera interna permette di modellare la figura.

***FUN & FIT** is the swimsuit for those seeking maximum comfort while engaging in water activities. Particularly designed for Aquafitness movements, it features built-in bust support to lift and enhance the shape. The leg cut is regular, and the back offers more coverage compared to the Training model. The inner lining helps shape the figure.*

SOSTEGNO SENO
BUILT-IN BUST SUPPORT

COSTUMI LADY

LADY è il costume che garantisce il massimo comfort durante le attività in acqua. Nato per le taglie morbide, ha sostegno seno e fodera frontale che contiene e modella le forme. Sgambatura bassa, spalline regolabili e schiena coperta.

LADY is the swimsuit that ensures maximum comfort during water activities. Designed for fuller sizes, it features bust support and a front lining that shapes and smooths the figure. The leg cut is low, with adjustable straps and a covered back.
